Representative Chris Murphy
Chairman, House Judiciary Committee
512 Blatt Bldg.
Columbia, S.C 29201

Dear Representative Murphy,

(Representatives like to hear from their constituents. Clarify right off that you are a registered voter in their district or in the state) As a registered voter in South Carolina, I wanted to introduce myself. **(Give a sentence or 2 explaining who you are)** In 2018, after the midterm elections I founded a 501(c)4 called Engage The Right. Our organization's mission is to inform, educate, and motivate Conservative Americans to become active in local, state, and national politics.

I appreciate the sacrifices you make to serve as an elected official. I also respect your willingness to serve as the Chairman of the Judiciary Committee. **(Thank them for their service and what you appreciate about them)**

As the founder of Engage The Right, I wanted to make you aware of what our organization found as it pertains to deceased active registered voters and voter fraud. Prior to the November 3, 2020 election, we had obtained a list of over 1,500 deceased active registered voters in our state. We made this information known to our state Senator, the Attorney General, as well as the state Elections Committee. We were unsuccessful in having all of these deceased active registered voters removed from the voter logs and hundreds are still on the logs today. We believe that there was widespread voter irregularities and voter fraud in the 2020 election. We also feel that voter integrity and election laws need to be revised in our state prior to the 2022 election to ensure voters feel confident that fraud cannot occur. **(Explain why you are writing)**

On 12-9-2020, Senators Senn and Rice pre-filed a bill titled S 0365 which is about voter registration. In this bill a registered voter would have to verify their qualifications with the county board of elections once every three years. I believe that this bill would be beneficial in helping to make sure our voter logs are current. Would you please co-sponsor this bill? **(Ask them for something. Are you writing to request a meeting? Are you asking them to co-sponsor or support a bill? You oppose a bill, yet your Representative supports it. Ask them to provide their reasoning for supporting the bill.)**

I would love to talk with you in person about the lists of active deceased voters that we have uncovered as well as the active registered voters we found registered to vote at churches, P.O. boxes, and other addresses that are not legal.

I look forward to hearing about your thoughts on S 0365 and respectfully ask again that we get this bill moving forward. **(Let the representative know that you will continue to be in touch)**

Sincerely,

Jane Smith
